Case 2:19-cv-00120-GJQ-MV ECF No. 1 filed 06/21/19 PageID.6 Page 6 of 11

CAUTION: To proceed in the federal court, you must ordinarily first exhaust your available state-court remedies on each ground on which you request action by the federal court. Also, if you fail to set forth all the grounds in this petition, you may be barred from presenting additional grounds at a later date.

GROUD ONE: THE DEFENDANT WAS DENIED DUE PROCESS AND A FAIR TRIAL BY PETITIONER'S IDENTIFICATION BY THE COMPLAINING WITNESS COURT AFTER THE COMPLAINT VIEWED MR. QUINN'S PICTURE IN THE PAPER IDENTIFYING HIM AS A PERSON ARRESTED IN CONNECTION WITH THIS CASE

The Petitioner argues that Ferguson's identification of him after seeing his picture in the newspaper constitutes an unnecessarily suggestive identification procedure that tainted Ferguson's subsequent identifications of defendant at the preliminary examination and at trial and that: (1) error occurred, (2) the error was plain, i.e., clear or obvious and (3) the plain error affected substantial rights, i.e., that the error affected the outcome of the state court proceedings. As such, an identification procedure that is unnecessarily suggestive and conducive to irreparable misidentification constitutes a denial of due process.

The facts and laws in support of this issue are fully set forth in the petitioner's memorandum of law which incorporated them by reference therein.

Direct Appeal of Ground One:				
(1)	Yes		No	
If you appealed from the judgment of conviction, did you raise this issue?		X		

GROUND TWO: THE DEFENDANT IS ENTITLED TO A NEW TRIAL AS HE WAS DENIED EFFECTIVE ASSISTANCE OF COUNSEL

The Petitioner argues that trial counsel was ineffective for failing to bring a motion to suppress the pretrial identification, failing to bring a motion to suppress his confession, and for failing to ask certain questions at trial and to call alibi witnesses. Because no Ginther hearing was conducted, in order to establish ineffective assistance of counsel, a defendant must show that his attorney's performance fell below an objective standard of reasonableness and this performance so prejudiced him that he was deprived of a fair trial. In order to establish prejudice a defendant must establish that there is a reasonable probability that the outcome would have been different but for counsel's errors.

The facts and laws in support of this issue are fully set forth in the petitioner's memorandum of law which incorporated them by reference therein.

Direct Appeal of Ground Two:			
(1) If you appealed from the judgment of conviction, did you raise this issue?	Yes	No	

(2) If you did not raise this issue in your direct appeal, explain why: N/A

⁽²⁾ If you did not raise this issue in your direct appeal, explain why: N/A

GROUND THREE: THE DEFENDANT IS ENTITLED TO BE RESENTENCED BECAUSE THE FACTS IN SUPPORT OF SOME OF HIS OFFENSE VARIABLE SCORES WERE NOT FOUND BY THE JURY TO BE PROVEN BEYOND A REASONABLE DOUBT, HE WAS SENTENCED PRIOR TO JULY 29, 2015, AND THE SIXTH AMENDMENT VIOLATION ALTERED THE GUIDELINE RANGE

The Petitioner argues that he is entitled to resentencing under *People v Lockridge 498 Mich 358, 364 & 391 (2015)* because the trial court engaged in impermissible judicial fact finding in scoring OVs 3, 4, 7, and 13. The core holding of *Lockridge* is that the sentencing guidelines are unconstitutional to the extent that they require judicial fact finding beyond facts admitted by the defendant or found by the jury to score offense variables and that they mandatorily increase the floor of the guidelines minimum sentence range. To remedy this constitutional violation in Michigan the State severed MCL 769.34(2) to the extent that it makes the guidelines mandatory. Clearly, the Petitioner's minimum sentence range was altered by this Sixth Amendment violation and the Petitioner was entitled to a *U.S. v Crosby 397 F3d 103, 117-20 (2nd Cir 2005)* remand for a determination of whether resentencing is appropriate in order to undertake a proper application of the plain and harmless error doctrines on whether the scoring OVs 3, 4, 7, and 13 was in violation of the Sixth Amendment under *Alleyne v United States 570 US 99; 133 SC 2151 (2013)*. See *People v Lockridge supra 498 Mich at 395-99* and *People v Stokes 312 Mich App 181, 198-99 (2015)*.

The facts and laws in support of this issue are fully set forth in the petitioner's memorandum of law which incorporated them by reference therein.
